

Termin: 10.02.2020

EU CONFERENCE

Working together on the future of the limit values system for carcinogens in Europe

Die Veranstaltung findet am 10. und 11. Februar 2020 in Den Haag statt.

The conference will bring together a broad range of social partners, government representatives, experts and other stakeholders from EU and national levels to explore and discuss opportunities and strengths related to the limit values system for carcinogens in Europe.
